# OUR PRODUCTS

## SEAT COVERS

Our seat covers are designed to protect and enhance the interior of your vehicle. They are tailor-made to fit specific make and models of car seats, providing a perfect fit and maintaining full functionality of your seats, including airbags, electric and manual controls, and fold-down armrests. They are made with high-quality materials to ensure durability and protection against spills, stains, and everyday wear and tear. They are also available in a wide range of colours and styles, giving you the opportunity to customize the look of your vehicle's interior to your personal taste. These seat covers provide protection and luxury, making them the perfect addition to your vehicle.

## DASH COVERS

Crafted with precision, our dash covers are tailored to fit each unique dash configuration, accommodating features like airbags, speakers, and heads-up displays flawlessly. Plus, enjoy added convenience with built-in storage pockets designed to complement your dash's features. Not only do our dash covers offer a perfect fit, but they also shield your dash from the sun's harsh UV rays, ensuring long-lasting protection and preservation. Available in Our Signature and River Rock Ranges

## TAKMATS

Our Takmats are custom made to fit each vehicle. They cover more than 92% of the floor area that includes covering underneath the transmission tunnel, underneath the seats even between the seat and the doorsill. A rubber mat covers the main area of the floor whilst the rest of the carpeting is covered in padded material. The material is sewn to the rubber creating a mold like effect which is secured to the floor via Velcro for a flush finish. Available in our all our product ranges.

## TRANSMISSION COVERS

Precision-engineered for your transmission, our transmission covers are tailored to fit each unique configuration. From eco boost to 4x4 function, cup holders to wired adapters, and manual or automatic transmission, we've got you covered. Not only do our covers protect your transmission from scratches and wear, but they also feature convenient side pockets for added storage. Available in Our Black Edition, Signature and River Rock Range.

# LOAD LINERS

Our load liners are custom made to fit each vehicle. They have provision for all the essentials such as air vents, jump seat controls, speakers and load covers to name a few. The load liner is padded for extra protection and fit snug against your plastic panels. Our rubber mats are bound around the edges to prevent premature tearing ensuring durability and longevity. Available in all our fabric ranges.
